11. GENERAL PROVISIONS.

If any part of this agreement is found void and unenforceable, it will not affect the validity of the balance of this agreement, which will remain valid and enforceable according to its terms. This agreement will not prejudice the statutory rights of any party dealing as a consumer. For example, for consumers in New Zealand who obtain the Software for personal, domestic or household use (not business purposes), this agreement is subject to the Consumer Guarantees Act. The English version of this agreement will be the version used when interpreting or construing this agreement. This is the entire agreement between Tech Soft 3D and you relating to the Software and it supersedes any prior representations, discussions, undertakings, communications or advertising relating to the Software.

13. COMPLIANCE WITH LICENSES.

If you are a business, company, or organization, you agree that, no more than once every 12 months, Tech Soft 3D or its authorized representative shall, upon 10 days' prior notice to you, have the right to inspect your records, systems, and facilities to verify that your use of any and all Tech Soft 3D Software is in conformity with your valid licenses from Tech Soft 3D. If a verification discloses that your use is not in conformity with a valid license, you shall immediately obtain valid licenses to bring your use into conformity.

14. CONNECTIVITY AND PRIVACY.

You acknowledge and agree that the Software may cause your Computer to automatically connect to the Internet to check for Updates that are available for automatic download to your Computer and to let Tech Soft 3D know the Software is successfully installed. Only non-personal identifying information is transmitted to Tech Soft 3D when this happens. Your communication with Tech Soft 3D websites is governed by the Tech Soft 3D Online Privacy Policy found at <http://www.techsoft3d.com/privacy>. Please consult the Documentation for information about changing default update settings.

15. SPECIFIC PROVISIONS AND EXCEPTIONS.

This section sets forth specific provisions related to certain products and components of the Software as well as limited exceptions to the above terms and conditions. To the extent that any provision in this section is in conflict with any other term or condition in this agreement, this section will supersede such other term or condition.

15.1. Limited Warranty for Users Residing in Germany or Austria. If you obtained the Software in Germany or Austria, and you usually reside in such country, then Section 6 does not apply; instead, Tech Soft 3D warrants that the Software provides the functionalities set forth in the Documentation (the "agreed upon functionalities") for the limited warranty period following receipt of the Software when used on the recommended hardware configuration. As used in this Section, "limited warranty period" means one (1) year if you are a business user and two (2) years if you are not a business user. Non-substantial variation from the agreed upon functionalities will not and does not establish any warranty rights. THIS LIMITED WARRANTY DOES NOT APPLY TO SOFTWARE PROVIDED TO YOU FREE OF CHARGE, FOR EXAMPLE, UPDATES, PRE-RELEASE, TRYOUT, STARTER, EVALUATION, PRODUCT SAMPLER AND NOT FOR RESALE (NFR) COPIES OF SOFTWARE, OR TO FONT SOFTWARE CONVERTED INTO OTHER FORMATS, WEB SITES, ONLINE SERVICES, CD SERVICES OR SOFTWARE THAT HAS BEEN ALTERED BY YOU, TO THE EXTENT SUCH ALTERATION CAUSED A DEFECT. To make a warranty claim, during the limited warranty period you must return, at our expense, the Software and proof of purchase to the location where you obtained it. If the functionalities of the Software vary substantially from the agreed upon functionalities, Tech Soft 3D is entitled -- by way of re-performance and at its own discretion -- to repair or replace the Software. If this fails, you are

entitled to a reduction of the purchase price (reduction) or to cancel the purchase agreement (rescission). For further warranty information, please contact the Tech Soft 3D Customer Support Department.

15.2.Limitation of Liability for Users Residing in Germany and Austria.

- (a) If you obtained the Software in Germany or Austria, and you usually reside in such country, then Section 8 does not apply. Instead, subject to the provisions in Section 15.2.2, Tech Soft 3D and its affiliates' statutory liability for damages will be limited as follows: (i) Tech Soft 3D and its affiliates will be liable only up to the amount of damages as typically foreseeable at the time of entering into the purchase agreement in respect of damages caused by a slightly negligent breach of a material contractual obligation and (ii) Tech Soft 3D and its affiliates will not be liable for damages caused by a slightly negligent breach of a non- material contractual obligation.
- (b) The aforesaid limitation of liability will not apply to any mandatory statutory liability, in particular, to liability under the German Product Liability Act, liability for assuming a specific guarantee or liability for culpably caused personal injuries.
- (c) You are required to take all reasonable measures to avoid and reduce damages, in particular to make back-up copies of the Software and your computer data subject to the provisions of this agreement.

15.3.Pre-release Software Additional Terms. If the Software is pre-commercial release or beta software ("Pre-release Software"), then this Section applies. The Pre-release Software is a pre-release version, does not represent final product from Tech Soft 3D, and may contain bugs, errors and other problems that could cause system or other failures and data loss. Tech Soft 3D may never commercially release the Pre-release Software. If you received the Pre-release Software pursuant to a separate written agreement, such as the Tech Soft 3D Serial Agreement for Unreleased Products, your use of the Software is also governed by such agreement. You will return or destroy all copies of Pre-release Software upon request by Tech Soft 3D or upon Tech Soft 3D's commercial release of such Software. YOUR USE OF PRE-RELEASE SOFTWARE IS AT YOUR OWN RISK. SEE SECTIONS 7 and 8 FOR WARRANTY DISCLAIMERS AND LIABILITY LIMITATIONS WHICH GOVERN PRE-RELEASE SOFTWARE.

15.4.Tryout, Product Sampler, NFR, Additional Terms. If the Software is tryout, starter, evaluation, product sampler, or NFR software ("Evaluation Software"), then the following Section applies. The Evaluation Software may contain limited functionality and is to be used for demonstration and evaluation purposes only and not for your commercial purposes. YOUR USE OF EVALUATION SOFTWARE IS AT YOUR OWN RISK. SEE SECTIONS 7 and 8 FOR WARRANTY DISCLAIMERS AND LIABILITY LIMITATIONS WHICH GOVERN EVALUATION SOFTWARE.

15.5.Time Out Software. If the Software is a timeout version then it will cease operations after a designated period of time or number of launches following installation. The license hereunder will terminate after such period or number of launches unless extended by Tech Soft 3D upon your acquisition of a full retail license. ACCESS TO ANY FILES OR OUTPUT CREATED WITH SUCH SOFTWARE OR ANY PRODUCT ASSOCIATED WITH SUCH SOFTWARE IS ENTIRELY AT YOUR OWN RISK.

15.6.Font Software. If the Software includes font software --

- (a) You may use the font software with the Software on Computers as described in Section 2 and output the font software to any output device(s) connected to such Computer(s).
- (b) If the Permitted Number of Computers is five or fewer, you may download the font software to the memory (hard disk or RAM) of one output device connected to at least one of such Computers for the purpose of having the font software remain resident in such output device, and of one more such output device for every multiple of five represented by the Permitted Number of Computers.
- (c) You may take a copy of the font(s) you have used for a particular file to a commercial printer or other service bureau, and such service bureau may use the font(s) to process your file, provided such service bureau has a valid license to use that particular font software.
- (d) You may convert and install the font software into another format for use in other environments, subject to the following conditions: A computer on which the converted font software is used or installed will be considered as one of your Permitted Number of Computers. Use of the font software you have converted will be pursuant to all the terms and conditions of this agreement. Such converted font software may be used only for your own customary internal business or personal use and may not be distributed or transferred for any purpose, except in accordance with Section 4.4 of this agreement.
- (e) You may embed copies of the font software into your electronic documents for the purpose of printing and viewing the document. If the font software you are embedding is identified as "licensed for editable embedding" on Adobe's website at <http://www.adobe.com/type/browser/legal/embeddingeula.html>, you may also embed copies of that font software for the additional purpose of editing your electronic documents. No other embedding rights are implied or permitted under this license.

15.7.ONLINE SERVICES.

- (a) The Software may rely upon or facilitate your access to websites maintained by Tech Soft 3D or its affiliates or third parties offering goods, information, software and services ("Online Services"). Your access to and use of any website or online services is governed by the terms, conditions, disclaimers and notices found on such site or otherwise associated

with such services. Tech Soft 3D may at any time, for any reason, modify or discontinue the availability of any website and OnlineServices.

- (b) Tech Soft 3D does not control, endorse or accept responsibility for websites or Online Services offered by third parties. Any dealings between you and any third party in connection with a website or Online Services, including delivery of and payment for goods and services and any other terms, conditions, warranties or representations associated with such dealings, are solely between you and such third party.
- (c) EXCEPT AS EXPRESSLY AGREED BY Tech Soft 3D OR ITS AFFILIATES OR A THIRD PARTY IN A SEPARATE AGREEMENT, YOUR USE OF WEBSITES AND ONLINE SERVICES IS AT YOUR OWN RISK UNDER THE WARRANTY AND LIABILITY LIMITATIONS OF SECTIONS 7 AND 8.

15.8. Educational Software Product. If the Software accompanying this agreement is Educational Software Product (Software manufactured and distributed for use by only Educational End Users), you are not entitled to use the Software unless you qualify in your jurisdiction as an Educational End User.
